Public Notice and Posting

Mendocino Coast Recreation and Park District, in keeping with our ongoing efforts to serve all members of the community, is developing an Americans with Disabilities Act (ADA) self-evaluation and transition plan. This accessibility plan will provide a comprehensive design for access for individuals with disabilities to the District facilities, parks, programs, services, activities and events.

Mendocino Coast Recreation and Park District is seeking input from agencies, organizations, and individuals with disabilities. The value of stakeholder guidance will help to address and prioritize current and future needs. Individuals who would like to provide input are invited to complete a survey, call or email the ADA/504 Coordinator. Surveys are available for organizations that represent individuals with disabilities, patrons, community members, employees, and other interested individuals who wish to participate in the evaluation.

Your comments and opinions are important to us and will provide valuable information regarding how Mendocino Coast Recreation and Park District can better serve individuals with disabilities. Surveys are available from the District's ADA/504 Coordinator and on the District's website at <https://www.mendocoastrec.org>.
